
OLR Bill Analysis

SB 981

AN ACT CONCERNING PESTICIDES ON SCHOOL GROUNDS.

SUMMARY:

The law prohibits the application of lawn care pesticides on the grounds of any public or private preschool or school with students in grade eight or lower, except in a health emergency. This bill extends the prohibition and health emergency exception to public and private schools with students in grade 12 or lower.

EFFECTIVE DATE: July 1, 2013

BACKGROUND

Related Bill

HB 6385, reported favorably by the Education Committee, also extends the prohibition to schools with students in grade 12 or lower.
